

# What Should I Do to Prepare for Student Loan Repayment?

Federal student loan repayment is complicated. Your loans are issued by **Federal Student Aid**, but you send your payments to one of several federal student loan **servicers**. IonTuition helps you manage your repayment with your servicer. Here are three steps you should take to successfully manage your repayment:

## Connect to Your Servicer

Unsure who your Servicer is?  
Ask an IonTuition counselor for help!
